

Dear Parent/Guardian,

The Claiborne County School District has been participating in the CEP program since the school year 2014/15. This program has allowed all children in the district to eat breakfast and lunch at no cost. This year we have to reapply for program eligibility. In order for our district to qualify, we need to know the names of **ALL biological and non biological** children currently living in your household. (for example, step children, foster children, homeless/displaced, children. It is very important that we receive a completed form from each household.

**If you have not already completed this form, please fill out 1 form per household and return to your child's school as soon as possible.

List of names of **ALL** children living in your household:
